

# High End Premium Quality Earbuds

**Retail Value:** \$109.00 (Compares To Dr Dre Beats Earbuds)

This certificate includes a brand new pair our High End Premium Quality Ear Buds

Our porcelain earbuds deliver unmatched sound purity. Tight, thundering distortion-free bass. Crystal-clear mids. Smoothing, smooth highs. Accurate and enveloping sound that is unique to porcelain. They are outfitted with rare earth neodymium 8mm drivers, enclosed in a bass enhancing chamber and topped with a customer-tuned Acoustic Sound Flow System. Complete with noise-isolating sleeve and Kevlar reinforced flat cable that never gets tangles and shows off a 24k gold-plated plug.

**Drivers Type: 8MM Moving Coil, Neodymium**

**Sensitivity: 1mW SPL @ 1KHz**

**Impedence: 16 ohm @ 1KHz**

**Frequency Response: 20Hz = 20 KHz**

**Cable Length: 120 cm**

**3.5mm Plug: Stereo and 24K Gold-plated**

**Swedish Design**
